The assets of the Fund will be invested and reinvested from time to time in accordance with the Annuitant's instructions, which must comply with any restrictions imposed by the Trustee in its sole discretion. 6. **Disability Payments.** The Annuitant may withdraw all or a part of the property of the Fund where the life expectancy of the Annuitant is likely to be shortened to less than 2 years due to an illness or physical disability, as evidenced by the written opinion of a qualified medical practitioner. If the Annuitant has a Spouse on the date the Annuitant signs the application, must be accompanied by a waiver by the Spouse, in the form and manner required by Pension Legislation.

The Trustee is entitled to rely upon the information provided by the Annuitant in such application. The application that meets the requirements of the Pension Legislation constitutes an authorization to the Trustee to pay money to the Annuitant from the Fund in accordance with Pension Legislation. The Trustee will make the payments to which the Annuitant is entitled under Pension Legislation within 30 days after the Trustee receives the completed application and accompanying documentation.

7. **Fiscal Year of the Fund.** The fiscal year of the Fund ends on midnight of December 31 of each year and will not exceed 12 months.

8. **Value of the Fund.** For the purpose of a transfer of assets, the purchase of a life annuity contract, a payment or transfer on the death of the Annuitant, or transfer to the Spouse on relationship breakdown, the value of the contract shall be the aggregate market value of the securities held in the Fund as of the market closing immediately prior to such payment or transfer.

The Trustee, to establish the value of the Fund, will use a recognized pricing service, contact the issuer for value, or use the Financial Post or other leading financial papers. In the case of a purchase of a life annuity, all assets would be sold at market value on the date of sale.

9. **Payment of Income.** The Annuitant will be paid an income, the amount of which may vary annually and which will commence not later than the last day of the second fiscal year of the Fund. Payment may not commence earlier than the earliest date on which the Annuitant would have been entitled to receive payment of a pension under any of the pension plans from which the money was transferred.

The Annuitant is to establish the amount of income to be paid during each fiscal year of the Fund at the beginning of that fiscal year and after receipt of the information specified in the attached Schedule 4. If the Annuitant fails to establish the amount of income to be paid during each fiscal year of the Fund, the minimum amount required under the Income Tax Act shall be deemed to be amount to be paid.

If the Trustee guarantees the rate of return of the Fund over a period that is greater than one year and that ends at the end of a fiscal year, the Annuitant may establish the amount of income to be paid during that period at the beginning of that period.

Where the amount of income to be paid to the Annuitant is fixed at an interval of more than one year, paragraphs 10, 11, and 12 of this Addendum will apply with such modifications as the circumstances require to determine, at the date of the beginning of the first fiscal year of the Fund in the interval, the amount of income to be paid for each fiscal year in that interval.

10. **Determination of Income to be Paid.** The amount of income paid during a fiscal year of the Fund may not be less than the minimum amount required to be paid under the Income Tax Act and will not exceed the maximum amount (M), with M being calculated in accordance with the applicable sections in the attached Schedule 4.

If the minimum amount is greater than the maximum amount determined for a fiscal year, the minimum amount must be paid out during the year.

If the amount paid to the Annuitant during the fiscal year of the Fund exceeds the maximum that may be paid, the balance of the Fund will not be reduced by the excess, unless the payment is due to incorrect information provided by the Annuitant.

11. **Income to be Paid Out in the Initial Year.** For the initial fiscal year of the Fund, the minimum amount to be paid, as referred to in paragraph 10 of this Addendum, will be set at zero and the maximum amount (M) will be as specified in that paragraph 10.

12. **Transfers In During the Fiscal Year.** Where the money in the Fund is derived from money transferred, directly or indirectly, during the first fiscal year from another LIF of the Annuitant, the maximum amount (M) in paragraph 10 of this Addendum is equal to zero with respect to that money, except to the extent that the Act requires the payment of a higher amount.

If, in any fiscal year of the Fund, an additional transfer is made to the Fund and that additional transfer has never been under a LIF before, an additional withdrawal will be allowed in that fiscal year. This

additional amount of withdrawal will not exceed the maximum amount that would be calculated under this Addendum if the additional transfer were being transferred into a separate LIF and not this Fund, with paragraph 11 applying.

13. **Payments after Marriage Breakdown.** The property of the Fund may be subject to division under family law and Pension Legislation. The Trustee will make a payment or payments out of the Fund to the extent and in the manner permitted or required by applicable law:
 - (a) to effect a division of property, provided the payment is made pursuant to a court order or domestic contract, as defined in Pension Legislation; or
 - (b) pursuant to an execution, seizure, attachment or other process of law in satisfaction of an order for support or maintenance.
14. **Beneficiary Designation.** The designation of a person other than the Annuitant's Spouse as the beneficiary of the Fund will not be valid if the Annuitant has a Spouse who is entitled to survivor benefits under the Fund because of Pension Legislation.
15. **Death of Annuitant.** Following the death of the Annuitant, the property of the Fund will be paid to the surviving Spouse of the Annuitant unless the surviving Spouse is not entitled to survivor benefits under Pension Legislation. The surviving Spouse may instruct the Trustee to transfer the property of the Fund to an RRSP or RRIF as permitted by Pension Legislation and paragraph 60(1) of the Income Tax Act.

If there is no surviving Spouse or where the surviving Spouse waives the spousal entitlement in the form and manner required by Pension Legislation, the property of the Fund will be paid to the person designated as beneficiary of the Fund, or if no such person has been designated, to the legal representative of the deceased Annuitant's estate.

The Trustee will provide the person entitled to receive the balance in the Fund a statement containing the information outlined in the attached Schedule 4.

16. **Transfers from the Fund.** Subject to any restrictions imposed by the Income Tax Act and by Pension Legislation, and after payment to the Annuitant of the minimum amount for the year, the property of the Fund may be transferred to a LIRA, or a LIF, or used to purchase a life annuity in accordance with paragraph 60(1) of the Income Tax Act. Where the Fund holds identifiable and transferable securities, the transfer or purchase may, unless otherwise stipulated, at the option of the Trustee and with the consent of the Annuitant, be effected by remittance of the investment securities of the Fund.

Before transferring property of the Fund, the Trustee will:

- (a) write to the issuer of the recipient plan to notify it of the locked-in status of the property being transferred and Pension Legislation that governs the property;
- (b) advise the issuer of the recipient plan that the assets were held in a LIF in the current year;
- (c) not permit the transfer unless the issuer of the recipient plan agrees to administer the transferred property according to Pension Legislation;
- (d) the issuer of the recipient plan is on the list of financial institutions maintained by the Superintendent of Pensions of Nova Scotia; and

- (e) the recipient plan is on the list of LIRAs or LIFs maintained by the Superintendent of Pensions of Nova Scotia.

If the Trustee does not comply with the above, and the issuer of the recipient plan fails to pay the money transferred in the form of a pension or in the manner required or permitted by Pension Legislation, the Trustee will provide or ensure the provision of the pension in a manner and in an amount that would have been provided had such property not been paid out.

The Trustee will make the transfer within 30 days of the later of the receipt from the Annuitant of the properly documented transfer request and the maturity of the investment to be transferred.

The Trustee will provide the Annuitant with a statement containing the information outlined in the attached Schedule 4.

If, prior to the transfer, the minimum required payment for the fiscal year, by reason of the application of paragraph 10 of this Addendum, has not been satisfied, the Trustee will withhold adequate funds to satisfy this minimum payment requirement in accordance with paragraph 146.3(2)(e.1) or (e.2) of the Income Tax Act.

- 17. **Life Annuity.** In addition to the rules imposed by the Income Tax Act and Pension Legislation, the Annuitant is permitted to transfer all or a part of the balance of the Fund to purchase a life annuity that meets the conditions set out in the Pension Legislation.

However, if the Annuitant has a Spouse on the date payments under the life annuity begin, the life annuity must be established for the lives jointly of the Annuitant and the Annuitant's Spouse, unless the Spouse has provided a waiver in the form and manner required by Pension Legislation. Where the surviving Spouse is entitled to payments under the life annuity after the Annuitant's death, those payments must be at least 60 percent of the amount to which the Annuitant was entitled prior to the Annuitant's death. The life annuity may not differentiate based on gender except to the extent permitted by Pension Legislation.

The life annuity must provide for the provisions contained in the Pension Legislation.

The Trustee will provide the Annuitant with a statement containing the information outlined in the attached Schedule 4.

- 18. **Option to Withdraw Small Balances at Age 65.** The Annuitant may apply to the Trustee for a lump sum payment equal to the value of the entire contract if, on the date the Annuitant signs the application, the Annuitant is at least 65 years of age and the value of the Annuitant's assets in all LIRAs and LIFs is less than 50 percent of the year's maximum pensionable earnings under the Canada Pension Plan for that calendar year. Such application by the Annuitant must be in the form and manner required by Pension Legislation.

The Trustee is entitled to rely upon the information provided by the Annuitant in such application. The application that meets the requirements of Pension Legislation constitutes an authorization to the Trustee to pay money to the Annuitant from the Fund in accordance with Pension Legislation. The Trustee will make the payments to which the Annuitant is entitled under Pension Legislation within 30 days after the Trustee receives the completed application for and accompanying documentation.

Where the Fund holds identifiable and transferable securities, the Trustee may transfer the securities, with the consent of the Annuitant.

The value of all assets in all LIRAs and LIFs owned by the Annuitant when he / she signs the application under Pension Legislation will be determined in accordance with the most recent statement about each LIRA or LIF given to the Annuitant, and each statement must be dated within one year before the Annuitant signs the application.

19. **Option to Withdraw Due to Financial Hardship.** The Annuitant may apply to the Pension Regulation Division for a lump sum payment of not less than \$500 in cases of serious financial hardship as specified in Pension Legislation. Such application by the Annuitant must be in the form and manner required by Pension Legislation, and, if the Annuitant has a Spouse on the date the Annuitant signs the application, must be accompanied by a waiver by the Spouse, in the form and manner required by Pension Legislation.
20. **Option to Withdraw due to Non-Residency (Permanent Departure from Canada).** The Annuitant may apply to the Trustee for a lump sum withdrawal if the Annuitant has moved away from Canada permanently and has been absent from Canada for at least 2 years. The Annuitant must provide written evidence that Canada Revenue Agency has determined that the Annuitant has become a non-resident for the purposes of the Income Tax Act.

Such application by the Annuitant must be in the form and manner required by Pension Legislation, and, if the Annuitant has a Spouse on the date the Annuitant signs the application, must be accompanied by a waiver by the Spouse, in the form and manner required by Pension Legislation.
21. **Temporary Income.** The Fund does not provide for the provision of a temporary income. Sections 9, 10 and 11 of Schedule 4 do not apply.
22. **Payments or Transfers Contrary to Pension Legislation.** If property is transferred or paid out of the Fund contrary to Pension Legislation or this Addendum, the Trustee will ensure that the Annuitant receives a life annuity in an amount and in a manner that would have been provided if the property had not been transferred or paid out of the Fund.
23. **Amendments.** From time to time, the Trustee may amend the Declaration of Trust (including this Addendum), if the amendment does not disqualify the Fund as a LIF and if the amendment is filed with and approved by Canada Revenue Agency and the provincial authorities.

The Trustee will not amend the Fund except in accordance with the following provisions:

- (a) the Trustee will give the Annuitant at least 90 days notice of a proposed amendment, other than an amendment described in (b);
- (b) the Trustee will not amend the Fund if the amendment will result in a reduction in the Annuitant's rights under the Fund, unless the Trustee is required by law to make the amendment, and the Annuitant is entitled to transfer the property of the Fund under the terms of the Fund that existed before the amendment was made.

When making an amendment described in (b), the Trustee will notify the Annuitant of the nature of such an amendment and permit the Annuitant at least 90 days after the notice is given to transfer all or part of the property of the Fund.

Amount of income payments from LIFs

Pro-rating amount of withdrawal if initial fiscal year less than 12 months

- 7 If the initial fiscal year is less than 12 months long, the maximum amount determined under Sections 8, 10, 11 and 12 of this Schedule must be adjusted in proportion to the number of months in that fiscal year divided by 12, with any part of an incomplete month counting as 1 month.

Maximum annual life income from LIF that does not provide for temporary income

- 8 The maximum annual amount of life income to be paid each year from a LIF from which no temporary income is paid, is determined by the following formula:

$$\text{maximum payable} = F \times B$$

in which

- F = the factor in Schedule 5: Life Income Fund – Factor F that corresponds to the reference rate for the fiscal year and the owner’s age at the end of the previous year
- B = the balance of the LIF at the beginning of the fiscal year, increased by any money transferred to the LIF after the beginning of that fiscal year and reduced by any money transferred from another LIF, to the LIF, in the same year.

- 9** (1) A LIF may provide that the owner be entitled to a temporary income in accordance with this Section and Sections 10 and 11 of this Schedule.
- (2) An owner of a LIF from which temporary income may be paid who is at least 54 years old but under 65 years old at the end of the calendar year before the date they apply, may apply in an approved form to the financial institution that provides a LIF for payment of temporary income from the LIF.
- (3) Temporary income must not be paid under a LIF
- (a) before the owner is 55 years old; and
- (b) after the end of the year in which the owner turns 65 years old.
- (4) Temporary income is not payable if any portion of a payment out of a LIF is transferred to a registered retirement savings plan or a registered retirement income fund.

Maximum temporary income for the fiscal year

- 10** (1) Except as provided in subsection (2), the maximum temporary income that may be paid during a fiscal year out of a LIF from which temporary income may be paid must be the lesser of the following amounts:
- (a) the amount calculated by the following formula:
- (50% of the TMPE) – T
- in which
- YMPE = the Year’s Maximum Pensionable Earnings for the fiscal year
- T = the total temporary income for the owner from a pension plan or from other LIFs of the owner for that fiscal year;
- (b) the amount calculated by the following formula:
- F x B x D,
- in which
- F = the factor in Schedule 5: Life Income Fund – Factor F that corresponds to the reference rate for the fiscal year and the owner’s age at the end of the previous year
- B = the balance of the LIF at the beginning of the fiscal year, increased by any money transferred to the LIF after the beginning of that fiscal year and reduced by any money transferred from another LIF, to the LIF, in the same year
- D = the factor in Schedule 6: Life Income Fund – Temporary Income Factor D that corresponds to the owner’s age at the end of the previous fiscal year.
- (2) If the amount determined under clause (1)(b) is less than 50% of the Year’s Maximum Pensionable Earnings, then the maximum temporary income paid out of a LIF during a fiscal year must be the lesser of the following amounts:
- (a) the amount calculated under clause (1)(a);

- (b) the balance of the LIF at the beginning of the fiscal year, increased by any money transferred to the LIF after the beginning of that fiscal year and reduced by any money transferred from another LIF to the LIF in the same year.

Maximum life income withdrawal from LIFs

11 The maximum life income to be paid from a LIF from which a temporary income is paid is determined by the following formula, provided that the maximum must not be less than zero:

$$\text{maximum payable} = (F \times B) - (Y \div D)$$

in which

- F = the factor in Schedule 5: Life Income Fund – Factor F that corresponds to the reference rate for the fiscal year and the owner’s age at the end of the previous year
- B = the balance of the LIF at the beginning of the fiscal year, increased by any money transferred to the LIF after the beginning of that fiscal year and reduced by any money transferred from another LIF, to the LIF, in the same year
- Y = the maximum annual temporary income determined under Section 10 of this Schedule
- D = the factor in Schedule 6: Life Income Fund – Temporary Income Factor D that corresponds to the owner’s age at the end of the previous fiscal year.

Maximum annual income payable if financial institution guarantees rate of return of LIFs

12 (1) If a financial institution that provides a LIF guarantees the rate of return of the LIF over a period greater than 1 year and the owner establishes the amount of income to be paid during that period, the maximum income that may be paid during each of the fiscal years during the period must be determined at the beginning of each fiscal year in accordance with this Section.

(2) For each year after the initial fiscal year, the maximum income to be paid for the fiscal year under a LIF described in subsection (1) is equal to the lesser of the following amounts:

- (a) the balance of the LIF at the time of payment in that year;
- (b) the amount determined by the following formula:

$$\text{maximum income} = (I \times B) \div RB$$

in which

- I = the maximum income determined for the initial fiscal year under Section 11 of this Schedule
- B = the balance of the LIF at the beginning of the fiscal year
- RB = the reference balance determined on January 1 of the year as calculated under subsection (3).

(3) For the formula in clause (2)(b), the reference balance (“RB”) must be calculated by the following formula:

$$RB = (PRB - I) \div ((PRB - I) \times RR/100)$$

in which

- PRB = the reference balance
- (i) at the beginning of the previous year, or
- (ii) for the 2nd year of the period, the LIF balance at the beginning of the 1st year of the period.
- I = the maximum income determined for the initial fiscal year
- RR = the reference rate for the year, if the fiscal year is one of the first 16 fiscal years of the LIF, or by 6% for any other year.

Income in excess of maximum

13 If income paid to an owner under a LIF during a fiscal year exceeds the maximum that may be paid, the balance of the LIF must not be reduced by the excess unless the payment is attributable to incorrect information provided by the owner.

Information to be provided annually by financial institution

14 At the beginning of each fiscal year, a financial institution providing a LIF must provide all of the following information to an owner about their LIF:

- (a) with respect to the previous fiscal year:
